Identify the Language Literacy and Numeracy (LLN) needs of the students:

LLN test is available at <https://icm.quiz.lln.training/?quizId=acsf4>. ICM Training and Assessment is committed to supporting all our students in successfully completing their selected course of study. National research consistently indicates that many students will require some level of LLN support. As such, we recognise that we have a responsibility to understand each student's unique LLN needs. Our desire is to identify any LLN needs that students may have as a student and to assist them in reducing the impact this may have on their studies with ICM.

	<p>A Unique Student Identifier (USI): In addition, students, will need to provide RTO with their Unique Student Identifier number. A Unique Student Identifier (USI) is a reference number made up of numbers and letters, unique to each student. This USI allows them to link their previous and future VET qualifications into a single authenticated transcript, through the National Vocational Education and Training Data Collection, and prevents them from losing their record. This lets them see all their training results, from all their previous providers. A USI Number will stay with the student for life and must be recorded with any nationally recognised VET course they undertake.</p> <p>Computer literacy requirements: All students enrolling into this program must know how to use the basic computer digital literacy skills in each of the following areas prior to graduation:</p> <ol style="list-style-type: none"> (1) MS Windows (2) MS Office (3) Internet /e-mail skills. Additional Support	<p>All students whoever complete a language literacy and numeracy assessment upon enrolment will be provided with a range of learning support options and resources to help you achieve competency. Where additional support needs have been identified an <i>Individual Support Plan</i> will be developed which may include:</p> <ul style="list-style-type: none"> • Mentoring from trainers • Additional classes, tutorials and workshops • Computer and technology support • Reasonable adjustment to assessments <p>Provision of additional support services will be provided where necessary to enable students to participate in the same way as any other person regardless of whether support services have been required.</p>
Assessment Arrangements	<p>There are a variety of assessment methods used for this qualification including:</p> <ul style="list-style-type: none"> • Activities (written) • Questions • Projects • Role-Play • Report • Case Studies <p>You will be required to complete assessments in class. You will be advised by your trainer and assessor about the assessment requirements for each unit at the commencement of delivery for that unit. Submission of assessment tasks will be in person to the trainer/assessor.</p>
Course Credit	<p>ICM can grant you credit towards your course for units of competency that you have already completed with another RTO or authorised issuing organisations. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit in your course, and the subject or unit you have completed.</p> <p>There is no charge to apply for Credit.</p>

	<p>To apply, fill in the Credit Application Form and submit it as part of your enrolment. *Please refer to your Student Prospectus for more information on Course Credit. As an international student you should note that where you are granted credit this will reduce your course duration and you will be informed of this in writing.</p>
Recognition of Prior Learning (RPL)	<p>Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised. ICM has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks into your course.</p> <p>During the entry process and interview stage ICM will discuss with you the process and options for RPL. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.</p> <p>A trainer/assessor will be available to assist you throughout this process.</p> <p>*Please refer to your Student Prospectus for more information on RPL. As an international student you should note that where you are granted RPL this will reduce your course duration and you will be informed of this in writing.</p>
Costs	<p>Total Tuition Fees: \$18000 Total Non-Tuition Fees: \$200 Payment Plan</p> <ul style="list-style-type: none"> • Non-refundable enrolment deposit (prior to commencement) - \$200 • Fees payable in 4 instalments <p>RPL Costs: Application for RPL includes a fee of \$200AUD per unit of competency. Nationally Recognized Training does not occur GST. Students will only be eligible to receive their qualification if fees have been paid in full and all course requirements have been met. Potential for fees to change over the duration of the course. *Please refer to your Student Prospectus for our Fees and Refunds Policy.</p>
Inclusions	<p>Unless otherwise specified, tuition fees include all the training and assessment as well as required resources and textbooks for students to achieve the qualification or course in which they are enrolling.</p> <p>A note about computers: Many homework and assessment tasks require access to a computer and the internet and therefore it is recommended students bring or purchase a laptop if possible. If students don't have their own they can use nearby public facilities that are listed for their convenience in the Student Prospectus. It is optional for students to bring a laptop to class – some students may choose to do so to keep their notes organised, but where a computer is required for class activities the trainer/assessor will arrange to book the college computers for class sessions.</p>
